Learning new tech.

## EDUCATION

### B.E Computer Science and Engineering

#### Shri Ramdeobaba College of Engineering and Management

10/2020 - Present

Nagpur, India

## PROJECTS

### Know Your Prep

- Team Project under Catalysing Dreams and Beyond pvt. lmt. where we created an examination and analysis platform for placement preparing students all across the country.
- The Web Stack used was React, MaterialUi, Django and Firebase.
- This Project helped me to understand the whole process of making an Industry ready Application in real life.
- Link : <https://devo1.netlify.app/>

### Secure Me

- Made a website that Secures your passwords using Django.
- Provide details of your application and access your anytime by providing OTP sent to your email account.
- Heroku : <https://secure-mee.herokuapp.com/>

### URL-Shortner

- Made a website that shortens the long url and makes it easy to remember.
- Tech Stack used is Django, ipStack API, Charts.js and bootstrap.
- Detail analytics are added to it which shows us how many users visited the url, country of the user, browser and device user is using, etc.
- Heroku: <https://bw-md-django-urlshortner.herokuapp.com/>

### Music Website

- Made a fully working Music Player. This was the project made for college contest Crack-O-Ween and our team secured 2nd Rank.
- The technologies used are Html,CSS,JavaScript at frontend and Nodejs, Express at the backend.
- Github : <https://bhushan21z.github.io/Music-Player/>
- Heroku : <https://radiant-journey-36214.herokuapp.com/>

### Mailchimp API

- Made a Sign-Up Page using Mailchimp API and NodeJs.
- Provide all the details mentioned, it will get in my mailchimp account and we are connected.
- The project taught me various concepts how various open source API's and NodeJs/Express Properties Works.
- Heroku : <https://blooming-mesa-16104.herokuapp.com/>

## ACHIEVEMENTS

### 30 Days of Google Cloud Program

Completed Google cloud program of one month held by GDSC RCOEM.

### Internship

Working as a Full Stack Web-developer at Catalysing Dreams and Beyond .

### SIH'22 Finalist

Represented my Team and College at India's Largest Hackathon (Smart India Hackathon).

### Google Kickstart

Secured Global Rank 1164 and AIR 695 in Google Kickstart Round B.

### TCS Codevita

Secured Global Rank 419 in TCS Codevita Season 10 Round 1.

### Competitive Coding

Codechef 4A || Codeforces Pupil (1238)
